CAPITAL PRODUCT PARTNERS L.P. ANNOUNCES SUCCESSFUL DELIVERY OF ITS EIGHTEENTH TANKER “ARIS II”

ATHENS, Greece, August 20, 2008 -- Capital Product Partners L.P. (Nasdaq:CPLP) announced today that it has taken successful delivery of its eighteenth tanker, the Aris II, from STX Shipbuilding Co., Ltd., a leading Korean shipyard.

The Aris II has a carrying capacity of 51,218 dwt and is capable of transporting a range of refined oil products, chemicals and crude oil worldwide. The vessel has been fixed under a bareboat charter commencing at the time of delivery with Overseas Shipholding Group Inc. (OSG), for ten years at a base rate of \$13,000 per day. The vessel's purchase price of \$48 million has been funded with debt through drawdowns on CPLP's revolving credit facilities and with \$2 million in cash. The Partnership has swapped the interest costs of the amounts drawn down until the end of the non-amortizing periods of its respective facilities.

The Aris II is the third of three 51,000 dwt MR chemical/product tanker sister vessels delivered in 2008 all of which are under bareboat charter to OSG. OSG has an option to purchase each vessel at the end of the eighth, ninth or tenth year of its charter, which is exercisable six months before the date of completion of the relevant year of the charter.

Ioannis Lazaridis, Chief Executive and Chief Financial Officer of Capital Product Partners' general partner, said, “We are pleased to take delivery on schedule of our seventh contracted new building since the IPO, providing accretive growth consistent with our strategy and extending our relationship with OSG. Taking advantage of our balance sheet strength and following the signing of our new revolving facility earlier in the year, we funded the acquisition of Aris II primarily with debt.”
