Capital Product Partners L.P. Agrees to Issue 9.1 Million Class B Convertible Preferred Units and Reaches Agreement to Acquire Two 5,023 TEU High Specification Container Vessels With 12 Year Employment at \$29,350 per Day

ATHENS, GREECE -- (Marketwire) -- 03/15/13 -- Capital Product Partners L.P. (the "Partnership") (NASDAQ: CPLP) announced today an agreement to issue 9.1 million Class B Convertible Preferred Units ("Class B Preferred Units") to funds managed by Kayne Anderson Capital Advisors, L.P. and Oaktree Capital Management, L.P. as well as and the Partnership's Sponsor, Capital Maritime and Trading Corp. ("Capital Maritime").

The Class B Preferred Units are convertible at any time into common units of the Partnership ("Common Units") on a one-for-one basis. The Class B Preferred Units will pay a fixed quarterly distribution of \$0.21375 per unit.

The Partnership intends to use the net proceeds from the issuance of the Class B Preferred Units together with approximately \$54 million from its existing credit facilities and part of its cash balances for the acquisition of two 5,023 TEU high specification container vessels for a total consideration of \$130 million. Both the M/V 'Hyundai Premium' and M/V 'Hyundai Paramount' are 2013 built at Hyundai Heavy Industries Co. Ltd. The vessels were originally ordered by Capital Maritime and built to the latest fuel efficient and eco-friendly design. Both vessels have secured a 12 year time charter employment (+/- 60 days) to Hyundai Merchant Marine Co. Ltd. ("HMM") at a gross rate of \$29,350 per day.

"We are very pleased to have concluded this important transaction for the Partnership, as it offers long term cash flow visibility to our shareholders, further diversifies our revenue stream with the addition of HMM to our charterers, and we believe, will further underpin our existing distribution level and allow for distribution growth ahead. In addition, we acquire two state of the art, eco type, wide beam, fuel efficient newbuilding container vessels built in one of the best shipyards in the world to very high specification," said Mr. Ioannis Lazaridis, Chief Executive and Chief Financial Officer of the Partnership's General Partner. "Importantly, we are very pleased by the continuous support of our existing shareholders to the Partnership."

We expect the transaction to complete by the end of March 2013. The Board of Directors of the Partnership unanimously approved the terms of this transaction following a unanimous recommendation by the conflicts committee, which is comprised of entirely independent directors, with respect to the vessel acquisitions.

Evercore Partners acted as exclusive placement agent in connection with the issuance of the Class B Preferred Units.

Definitive agreements related to this transaction will be filed with the Securities and Exchange Commission ("SEC") and available on the SEC's website at www.sec.gov following the closing of the transaction.

Neither the Class B Preferred Units nor the Common Units into which they are convertible have been registered under the Securities Act of 1933 (the "Securities Act"), or any state securities laws, and they may not be offered or sold in the United States absent a registration statement or exemption from registration.
